As part of the adoption process and before placing any dog, you will be asked to sign a contract in which you agree to certain conditions. These conditions include keeping the dog as an indoor house pet, maintaining regular veterinary care and staying updated on their shots. Also, by signing you agree to allow an Arctic German Shepherd Rescue representative to visit your home before and/or after placement of the dog. If you violate the contract, the dog may be surrendered back to Arctic German Shepherd Rescue at the rescue request.

Have you included your application fee?

I have read and carefully answered each question on this Adoption Application and have provided truthful answers. I understand that Arctic German Shepherd Rescue will rely on the answers we have provided in going forward with the adoption process and, in the event that Arctic German Shepherd Rescue learns that false information has been given, I may be denied the right to adopt a dog and/or any dog placed in my care by Arctic German Shepherd Rescue may be required to returned to Arctic German Shepherd Rescue and all fees paid by me to Arctic German Shepherd Rescue will be forfeited.
