As part of the adoption process and before placing any dog, you will be asked to sign a contract in which you agree to certain conditions. These conditions include keeping the dog as an indoor house pet and maintain regular veterinary care. If you violate the contract, the dog may be surrendered back to Arctic German Shepherd Rescue at the rescue request.

I have read and carefully answered each question on this Adoption Application and have provided truthful answers. I understand that Arctic German Shepherd Rescue will rely on the answers we have provided in going forward with the adoption process. In the event that Arctic German Shepherd Rescue learns that false information has been given, I may be denied the right to adopt a dog.
